REF: 11853

Height: 128 cm (50.4")

Diameter: 30 cm (11.8")

Description

Fine, 19th century, italian, carved & gilded pricket torchere upcycled into a floor standing lamp

Finely carved with classical turnings and ornamentation, the gilding burnished to enhance the reflection of candlelight

Injects classical gravitas and period atmosphere into the interior

Decorated on all three sides and the base is finely carved with large fleur-de-lys

Original gilding can be refreshed if desired

Sturdy, usable condition. The conversion is recent so it conforms to UK electrical standards.

Provenance : Private collection.

Measures: height to top of candlestick : 99 cm., 39 inches. height to top of light fitting, 128 cm., 50 ½ inches
length from foot-to-foot 30 cm., 12 inches.

Top with fluted edge metal drip pan. The stem with baluster, mushroom and ball turnings ornamented with acanthus leaves, fluting and gadrooning. The triform base with fleur-de-lys, acanthus leaves and scroll feet.
