Description

EDWARDIAN, 6-ARM, GILT-BRASS & GLASS CHANDELIER IN THE ROCOCO STYLE 17½ " high The lightness, elegance, and an exuberant use of curving and floral ornamentation are characteristic features of the Rococo period The glass enhances the reflection of light. The turned stem and each of the scroll arms is decorated with applied glass 12 petal flowerheads and with glass drip pans. Juxtaposes with period interiors and blend into modern and contemporary schemes. The conversion is recent so it conforms to UK PAT Electrical standards. CAN BE SOLD WITH MATCHING PAIR OF 2 ARM WALL SCONCES, Height 44cm., 17.32 inches Diameter 49cm., 19.29 inches
