## Description

RARE FOLK OR VERNACULAR, 19TH CENTURY, GREEN PAINTED AND GILDED, 3 TIER, CHANDELIER WITH 16 BRANCHES OR ARMS, 76cm., 30" high Exudes folk/vernacular charm, character and atmosphere Three tier, folk chandeliers are rare as most were made for cottages The 38" height and gilding suggest that this was made for a property of a higher calibre The iron arms create a lightness so it does not dominate the ceiling space The 3 tiers diffuse the light within the ceiling area of the room as well as shining down below The 16 branches create a lot of light Original patina PRICING £7,000 Height 76.00cm., 29.92 inches Diameter 61.00cm., 24.02 inches
