£2,700

© Howgego Historic & Modern

REF: 11593

Height: 44 cm (17.3")

Diameter: 60 cm (23.6")

Description

- Elegant Mid-Century Modern sofa or occasional table - Most likely Maison Bagues, predating the infamous Coco Chanel sheaf of wheat table reputedly given to her by Salvador Dali which was probably inspired by this model - Classic uncluttered fern design

- Oxidised bronze patina - Glass top to show the base to full effect - Wear on underside of the base demonstrates the age, most likely earlier than stated.
